Grease had its Broadway premiere in 1972. In 1979, the show took over the record as the longest-running show in the history of Broadway and the film starring John Travolta and Olivia Newton-John proved to be the highest-grossing movie musical ever. Jim Jacobs and Warren Casey created a perfect period piece of the 1950s: "fast, furious and fun, fun, fun". We know you'll have a blast in our "School" version of this American Classic, with its tale about the lives of a group of teenagers in a small town called Rydall as they learn about being cool and acceptance.
